

# A MAP OF THE TASMANIAN EDUCATION SYSTEM

## Financial Support

Centrelink - can help while studying full time with financial and other assistance. Many young people are supported by Youth Allowance. Visit [centrelink.gov.au](http://centrelink.gov.au)

Scholarships - sometimes offered by places of study to help with the cost of study, travel, books and housing.

Higher Education Loan Program (HELP) or FEE-HELP loans - available to Australian citizens or permanent humanitarian visa holders to help pay for university, TAFE and RTO courses. Visit [studyassist.gov.au](http://studyassist.gov.au)

## MY Education

Multicultural Youth Tasmania's (MYT) MY Education Program provides holistic and targeted pathway planning and study support for young people from refugee and migrant backgrounds.

MY Education strengthens connections between students, families, schools and communities. MY Education combines group activities and workshops, school outreach and individual supports, to help young people to achieve their academic and/or vocation goals.

MY Education program includes:

- Aim High out-of-school-hours learning support
- Wellbeing outreach to High Schools and Colleges
- Drop-in study support
- On campus tutoring support with our team of tutors
- Pathways planning workshops
- Transition mentor program

Out-of-school-hours learning support programs are also run by CatholicCare's multicultural service program. [catholiccaretas.org.au/multicultural-services](http://catholiccaretas.org.au/multicultural-services)
